

## **Principles for Being Godly Women and Wives**

Jodi Ware

- 1) I was created by God to be my husband's helper.
- 2) My submission to my husband is ultimately submission to God.
- 3) I am a Christian, then a wife, and then a mother (priorities).
- 4) I need to accept my husband as he is, and to resist critical thoughts or trying to change him.
- 5) I need to foster respect in my thoughts, which will impact my attitudes and actions.
- 6) I need to enter his world in appropriate ways.
- 7) I am my husband's only legitimate sexual experience.
- 8) I need to look to other women and, ultimately, to the Lord, to satisfy my relationship needs.
- 9) There is truth to the sayings "A man's home is his castle" and "The way to a man's heart is through his stomach" (the importance of homemaking).
- 10) My husband and I are on the same team.
