

BUILDING UP *Living it out*

Update

June 2018

Dear Trinity Church Family,

Exciting news! The start date for breaking ground on our new Discipleship Ministries Center building is almost here!

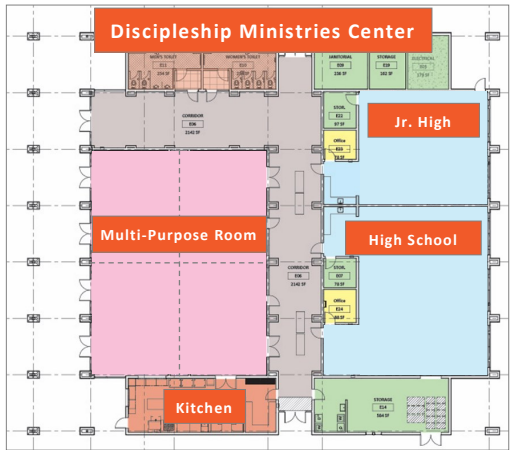

If you were with us in worship on Sunday, June 3, you heard a report from Rich Wathen (one of our Elders and Chair of our Building Committee), updating us on progress and plans for the long-awaited start of this exciting project. A few highlights from Rich's report include:

Anticipated Key Dates

- June 25-29 Fencing off the construction perimeter!
- Sunday, July 1 Prayer gathering on the Plaza!
- Monday, July 2 Site-work begins!
- June 2019 Project completion!

The building and site-work bids have been received by our General Contractor and we are glad to report that, as anticipated, we are within budget!

If you are new to Trinity, or you missed out on one of our 20 in-home "Vision" meetings during our "Building Up, Living It Out" campaign last Fall, visit our Trinity website at trinitycc.com and click on the "Building Up, Living It Out" icon where you'll find the Vision brochure, video, and other helpful items.

"Unless the Lord builds the house, the builders labor in vain..." Psalm 127:1
