Serving in Ukraine

Michael (from Ukraine) and his wife Yelena (from Russia), along with their seven children, are serving the Church in Ukraine. Michael pastors and leads two church fellowships with church services in both Ukrainian and Russian. Michael and Yelena also counsel and provide practical help to those who are in need as a result of the ongoing war.

Prayer Requests

- Pray for us to serve faithfully in a time of war, and for the Lord's protection for our family.
- Pray that God would save more Russians and Ukrainians for His glory.
- Pray for many new believers to grow in the truth of God's Word and for their lives to be a testimony to those around them.
- Pray for believers to faithfully endure difficult times and to continue to put their trust in the Lord.

Recent Update

Dear brothers and sisters of Trinity Church,

Thank you for your prayers and support of our ministry! By God's grace, we continue missionary work even during wartime in Ukraine. We write this letter to the sound of flying missiles overhead. The Lord has given us peace and confidence in His calling to do His work in this country and at this time.

I (Michael) am preaching through the book of Matthew during our Sunday morning services. We are also studying the book of Ecclesiastes in our Thursday night Bible Study. This study has been a blessing and encouragement to our congregation. A 96-year-old woman recently gave her life to Christ, and two more ladies are desiring to be baptized!

We are happy to be doing God's work here even in the midst of very difficult circumstances. As Paul says in Titus 1:5, "This is why I left you in Crete, so that you might put what remained into order...". It is an honor for us to serve alongside your church, and we pray that this missionary year will be fruitful for God's Kingdom!

We love you, and we are grateful for your prayers for the salvation of many new souls for His glory!

With Christian love,
The Sysoyev family
