Serving in Romania

Ken and Monica are equipping the local church in Iasi, Romania, as they disciple international students and mentor young Romanian church leaders. They lead weekly Bible studies, while Ken also helps pastor and preach.

Prayer Requests

- Pray for God to give us continued opportunity, wisdom, and courage to reach out to international students in Iasi with the Good News of Jesus Christ.
- Pray that God would continue to grow the local church as we partner with Romanian pastors and seek to raise up men for faithful service to the King of Glory.
- Pray for new believers who have converted from Islam to Christianity as they face potential persecution from family and friends.
- Pray that the Lord would bring more people to serve alongside us as we lead a medical missions trip to Kenya this year.

Recent Update

I (Ken) am meeting with the men of our church and going through the 9Marks book series on discipleship. Please pray that this study will not only result in personal transformation of each man, but that the Lord would use this study to transform our whole church. We are also going through systematic theology on Saturdays, which has been a lot of fun!

Our church has two new members, Virtue from Nigeria, and Keyllon from Trinidad. Both are growing in their knowledge of Scripture and faith in the Lord. Keyllon writes: "I have been blessed to be a part of this church, which has become my family... a place where people from all different nations and languages come together, united through Christ, to worship the Lord." Praise God for these men!

We recently hosted our annual International Food Festival. This festival is one of our main evangelistic events during the year where we invite international students from all over the world to join us and share their country's food. This is a great opportunity for us to make connections with each student and have Gospel conversations.

We also praise God for the International Church Camp last month in the Bucovina region. The theme was "Finding Christ in the Old Testament." Attendees were engaged in the topic, and wanted to hear and learn more. May God continue to exalt Christ through our church!

Because of Christ,
Ken and Monica Luse
