

TRINITY WOMEN'S CONFERENCE
FRIDAY & SATURDAY, MAY 16 & 17

THE POWER OF WORDS

GOD'S WORD AND OUR WORDS

Our Trinity Women's Conference will be held on May 16 & 17 (Friday and Saturday) on our beautiful Trinity campus. This conference will provide an opportunity for refreshment and connection with the Lord and each other as we hear from God's Word.

**“Let the words of my mouth and the meditation of my heart be acceptable in Your sight,
O LORD, my Rock and my Redeemer.” Psalm 19:14**

Our God is a God of words, and He has so kindly revealed Himself to us in the written Word. Words matter to God, and they should matter to us. Join us as we look at what God's Word teaches us about talking to Him (prayer), talking to others (gracious communication), and talking to ourselves (monitoring our minds). It is our hope that, by God's grace, we will grow in each of these areas, so that our words and our thoughts might increasingly be pleasing to the Lord. May we be women who speak words full of truth, full of grace, full of kindness, and full of compassion, to the glory of our great God, and to the benefit of those around us.

OUR SPEAKER JODI WARE

We are excited to have Jodi, our 2023 Women's Conference speaker, join us again this year! Jodi grew up in Portland, Oregon in a home blessed with Christian parents and four older sisters. She heard the Gospel from an early age and professed faith in Christ at the age of eight. In 1978, she married Bruce Ware, who is a professor of theology at Southern Seminary in Louisville, Kentucky. Bruce and Jodi have two daughters, Bethany and Rachel. Bethany is married to Owen Strachan, and they have three children. Rachel graduated from Union University in Jackson, Tennessee and is currently working as the Director of Mobilization for Reaching and Teaching International. Jodi is involved in the music and women's ministry at their church in Louisville (Clifton Baptist). She also works with the Seminary Wives Institute and the Faculty Wives at Southern. She loves walking, reading, playing the piano, meeting one-on-one with women, and engaging in "conversational ministry."
