Establishing a Dafurian Refugee Church

Timothy & Abbigale have partnered with the local Darfur church to help assist with church planting, discipleship training, and Bible translation. This is accomplished through English outreach classes, involvement in local fellowships, serving at refugee camps, as well as Gospel preaching, teaching, and pastoral counseling.

Prayer Requests

- Pray for God's grace over the Darfur people, that many lives would be changed as they learn about the Good News of the Gospel.
- Pray for God's strength and endurance for Darfur brothers and sisters as they are currently being persecuted for their faith in Jesus Christ.
- Pray for the marriages of our Darfur brothers and sisters in Christ, that they would honor and love each other as Christ has loved us.
