

Short-Term Ministry Trips

Trinity's Short-Term Ministry Trips partner with Trinity-supported missionaries in the vision of building up the local church in countries around the world.

Before each trip, our short-term teams take a few weeks to prepare spiritually and mentally to have a Christ-like servant mindset so that they can focus on encouraging, supporting, and learning from each missionary.

These short-term trips are a great opportunity for the Trinity family to be united in proclaiming the Gospel to the Ends of the Earth. Matthew 28:18-20 and Acts 1:8 calls each believer to participate in bringing the gospel of Jesus Christ to the nations. May we, as a church, see people from Trinity come alongside our long-term partners around the world.

How To Pray

- Pray that the Lord would grow our church in sending and supporting long-term laborers to take the Gospel to the nations.
- Pray that the Lord would raise up laborers to join our four short-term trips to: Turkey, Southeast Asia, Romania, and the Middle East.
- Pray that these teams would be an encouragement to the long-term missionaries and endeavors in each of these places.
- Pray that the Lord would stir up those who are going on a short-term trip to consider serving the Lord long-term overseas.
- Pray that the Lord would provide financially for each of the trips that will be taken in 2026.
