

# Timothy & Abbigale

T & A serve the Lord in the Middle East, where they have partnered with a local Darfur church to assist with church planting and discipleship. Abbigale has faithfully been translating the Bible into Darfur and just completed the books of Daniel and Acts.

- Pray that the Darfur believers in the 14 house churches will stand firm in the Lord. The Darfur people are refugees from the Sudan. Currently, there is a war going on in the Sudan and many of those who are living outside the country are being detained and sent back to the Sudan. Pray for God's will to be done and that His name would spread throughout the region.

- Pray for the church leadership as they address some deception among some new attendees. Pray the Lord would protect the purity of the gospel as the leadership stands for Christ.

- Pray for a short-term team to be raised from Trinity to visit and encourage these believers in Christ.

# Kathmandu Community Church

Pastor Isai Rai is the lead pastor at Kathmandu Community Church located in Nepal. He organizes an annual conference to train local pastors. Trinity has the privilege of supporting this year's conference on February 18 and 19. The conference theme is "Unashamed of the Gospel."

- Pray for all the preparations for organizing the conference.
- Pray for the conference speakers to preach Christ clearly.
- Pray for many local pastors to attend the conference and hear sound teaching from God's Word. Pray they will be unashamed of the gospel, proclaiming the excellencies of Christ boldly to those around.
- Pray that the gospel of Jesus Christ would be clearly proclaimed to the Nepali people who are in bondage to Hinduism.
