

International Student Ministry

The International Student Ministry (ISM) partners with local churches to equip believers to proclaim the Gospel to international students in the Central Valley. We praise the Lord for the 25 students who have been engaging in a weekly Bible Study. Please pray:

- That the Lord would save the students who attend and use them to take the gospel back to their countries as ambassadors of King Jesus.
- That the Lord would raise up the leader and volunteers needed to continue this ministry.
- For our upcoming Easter Outreach, that the Lord would bring many volunteers to serve and that many students would come hear the true story of Christ.

HaitiGo

Haiti Gospel Outreach (HaitiGO) focuses on strengthening the local church in Haiti. Currently, the country is experiencing a difficult season of poverty, lack of food, gang violence, and civil unrest. Trinity partners with HaitiGo by supporting two seminary students. Please pray:

- For church leadership to faithfully shepherd their flocks during such trying times.
- For Herve and Chrispin, our Trinity-supported seminary students, that they would be diligent in studying God's Word and for safety as they commute to class during the week.
- Pray for Peter Constantin, the head pastor over HaitiGo. Pray for his travels and time spent here at Trinity March 2—March 12.
