Pray for HeartCry Missionary Society

HeartCry is a ministry that aims to glorify God and do the greatest possible good for humankind by preaching the Gospel and establishing biblical churches worldwidethrough equipping and mobilizing indigenous pastors and missionaries.

Pray for thirty young men in Rwanda who received their final round of theological teaching and graduated from our Bible Training Institute. They will be entering into a difficult cultural context, as the government has shut down nearly 80% of the churches in the country over the past two years, making it difficult for churches to meet together. Pray that the Lord will open the door for greater freedom to gather there in Rwanda, and pray for these thirty young men as they seek to serve and help their churches within this current context.
